TO SET THE TIME

1. Pull out the crown (part C) to the 2nd position. Make sure the second hand (part F) is at the 12 o'clock position.
2. Turn the crown (part C) to set the hour and minute hands. Check that 24 hour hand is set correctly
3. Push the crown (part C) back to the zero (0) position when finished.

NOTE: The 24 hour hand (part E) moves correspondingly with the hour hand. Please make sure that AM/PM is correctly set by using the 24 hour hand as an AM/PM indicator.

TO SET THE 24 HOUR DIAL

1. Pull out the crown (part C) when the second hand (part F) is at the 12 o'clock position.
2. Press the button A or B to adjust the time. Press Button A to move the hand counter-clockwise. Press Button B to move the hand clockwise. Press and hold the button to fast-forward if desired.
3. Push the crown (part C) back to the zero (0) position when finished.

TO RESET THE 24 HOUR DIAL

NOTE: Before setting the time, check if the dual time 24 hour hand (part D) is in the "0" (24 o'clock) position. If the dual time 24 hour hand is not in the "0" position, reset time with the procedure below.

1. Pull out the crown (part C.) to the 2nd position.
2. Press & Hold both A & B buttons for 2-3 seconds, then release them.
3. Press either button A or B to reset the dual time 24 hour hand to "0" (24 o'clock) position. Button A moves the hand counter-clockwise, and Button B moves the hand clockwise.
4. Push the crown (part C) back to the zero (0) position when finished.

TO SET THE DATE

1. Pull out the crown (part C) to position "1".
2. Turn the crown clockwise until the correct date appears.
3. Push the crown (part C) back to the zero (0) position when finished.

NOTE: Do not set the date between 9:00 P.M. and 1:00 A.M.
